

Jim Baer

To Joe,

a very special person  
in God's eye. We had  
such a good time at  
Windy Gap - we should  
go next year too! The  
verse you wrote in my  
yearbook meant so  
much to me, so I'll  
write it again in yours.

I have come so you may  
have life. Live it in its fullness.

Always remember you are  
a wonderful person with  
extra special talents.

I wish you much happiness  
in your life. Your friend,  
Catherine

Dear Joe,  
 Thanks for going  
 to camp with me this  
 summer, we had a great  
 time together. I praise the Lord  
 for your growth and keep learning about  
 Him. He loves you so much. And so  
 do I. God bless you always Joe.  
 In Christ,  
 Dave

Joe,  
 I am glad to have  
 gotten to know you  
 from Young Life. I  
 will always treasure my  
 experiences in club with  
 you. Keep the faith  
 In Christ,  
 DeAnn

Joe —  
 Keep with the Lord  
 and always cherish his  
 love for you!! Love through Christ,  
 Kim

# THE ARENA

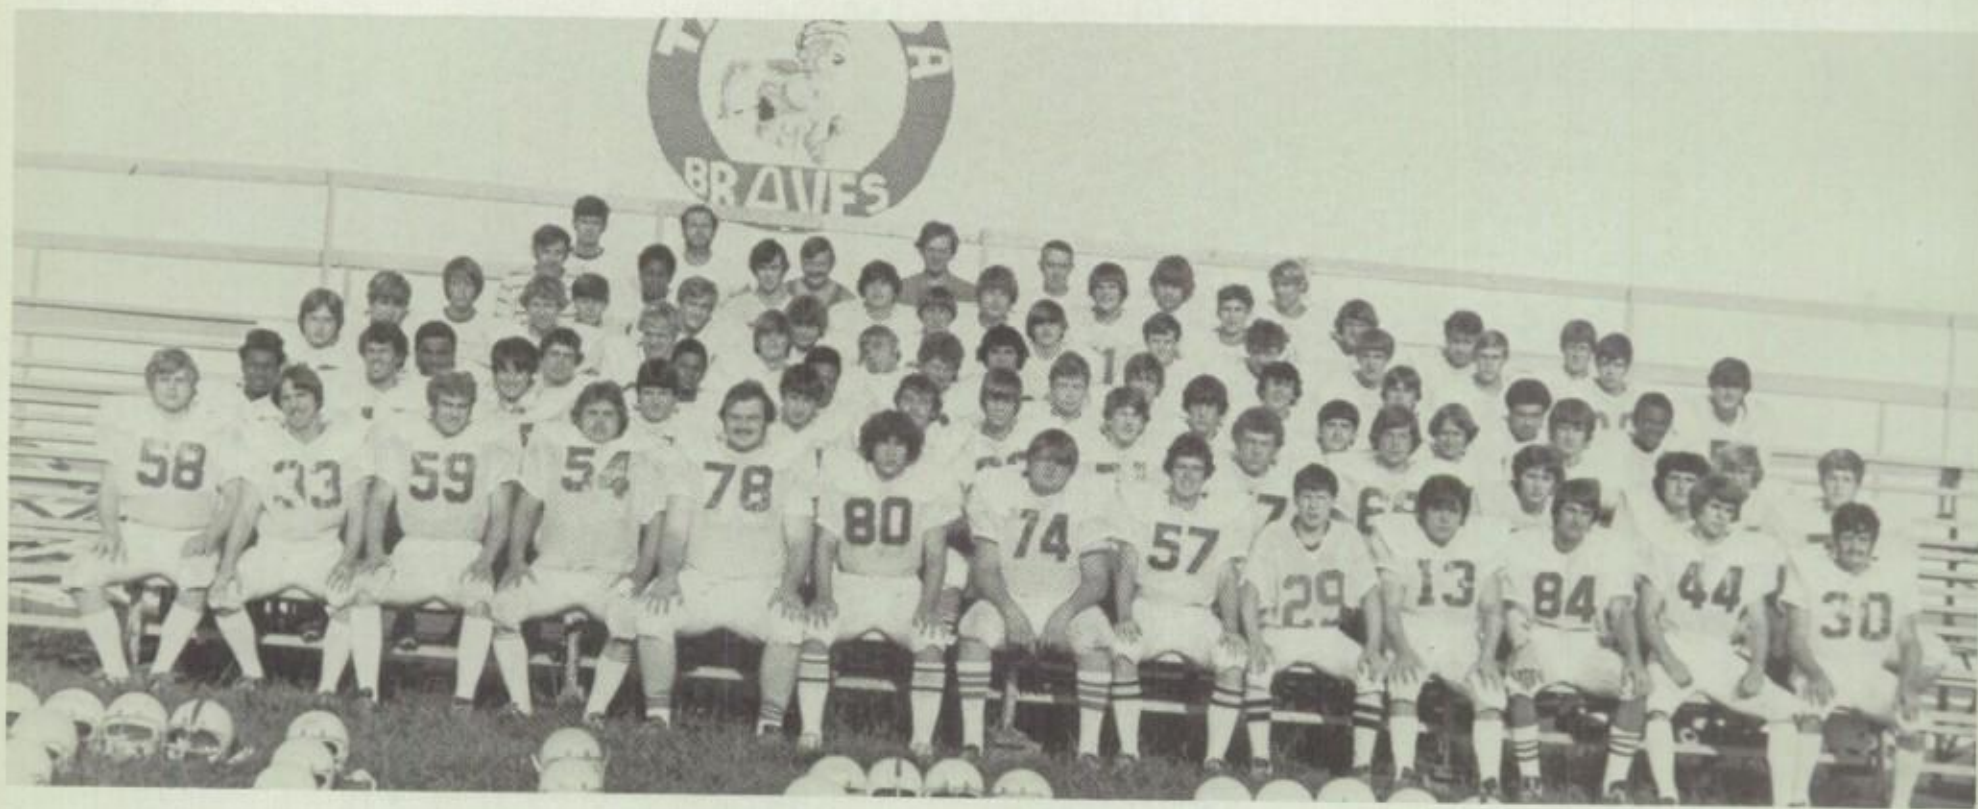

## Braves Struggle Through Season of Inexperience

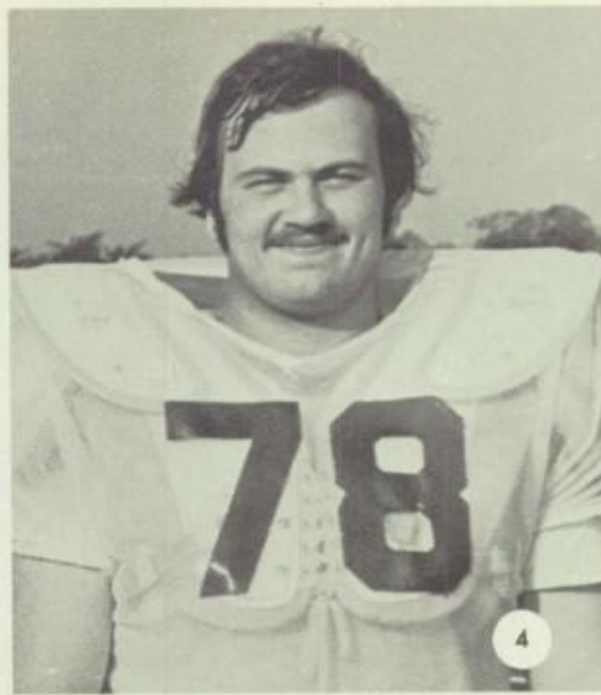

The 1975-76 football season will not be a season to be remembered for its victories but it will be remembered for the effort put into the season by the players. The Braves had six returning starters; Jeff Christopher, Jim Harry, Geoff Ginther, Mike Taggart, Brian Kelly, and John Mills. The team finished with a disappointing 0-9-1 record. The Braves were led by co-captains Jim Harry and Mike Taggart, who were both Honorable Mentions in the ALL MML TEAM. Other Honorable

Mentions went to seniors Jeff Pulley, Darrell Wright, Brian Kelly and John Mills and to Russ Griffith, junior. Jeff Christopher was selected to the ALL MML TEAM, SECOND TEAM GOLDEN TRIANGLE, and Brian Kelly received Honorable Mention to the GOLDEN TRIANGLE. Special Individual awards went to Jeff Christopher, Outstanding Lineman; Darrell Wright, Most Improved Player; Brian Kelly, Most Valuable Back; and Junior Russ Griffith, most Efficient Lineman.

# Field Hockey Revived

The Talawanda Girls' Field Hockey team experienced significant changes this year both in record and team attitude. Having a change in mental attitude boosted the teams to achieve very respectable records: Varsity 3-4-2 and Reserve 2-3-2. Jenni Rauen received the "Last of the Nortons" award. Linda Martin and Sherry Andrews were chosen best defensive players. Jenny Folker was named Best Offensive Player and Diana Wells, Most Improved Player.

## Varsity Finishes in Top 10 at Tennessee Workshop

Despite the poor season, the cheerleaders did their best to keep morale high. Every week the locker rooms were plastered with signs, candy, and bubble gum. The boys were treated each week with home-baked goodies. At camp, the Varsity Cheerleaders made an excellent showing by placing

in the top 10 out of many squads from eight states in midwestern and southern United States. They were also selected as finalists by the BROOKVILLE STAR sports rating service. Their new sponsor, Maribeth Fronczak, was always there to lend a hand.

## Cross Country Sees a Bright Future

Though the Cross Country team finished 5th in the league, they were not totally disappointed. Cross Country has a good young team. Five of the top seven runners will be back next year. Add to them the reserve champion, Jim Colborn, plus the other members of the championship reserve team, and they will have a potentially winning team. Leading the Varsity team were co-captains Charlie Dyer and Chris Schuette. The other Senior on the team was Jim Reid. Schuette was named Most Valuable Runner, which was a great accomplishment since Chris was only a Junior. Dave Mackey was voted Most Improved for the second year in a row and Charlie Dyer received the Coaches Award.

## Golfers Compile Perfect Record

The 1975 Braves Golf Team provided the highlight in fall sports this year. Their record of 23-0 was unmatched in Southern Ohio. In tournament play they placed second in the 24 team Golden Triangle Classic. They easily won their sectional, placed third in the district, and ultimately ninth in the state. Roger Berry led the team through the sectional qualifier with a 73 that gave him co-medalist honors. Mitch Allenspach shot 76 to enable golfers to get past the districts. Also honored for their fine play during the season: Mitch Allenspach, 1st team ALL MML and 1st team All Southwestern Ohio; Roger Berry, 1st team ALL MML and 2nd team All Southwestern Ohio; Mark Allenspach, Jim Tennant, Mike Allenspach all made 2nd team ALL MML; and Bill Johnson, honorable mention. The reserves posted a fine record. All the members would like to express their gratitude to Coach Larry Bowers for the fine job he did in guiding them to state in his last year at Talawanda.

# Volleyball Quality Soars

This year, girls' Volleyball made a great contribution to the cause of quality in sports for both men and women. The fine quality of play, team spirit, and unity were a credit to both Tala-wanda High School and women's sports. The varsity record of 5-5, does not do justice to the ability of the girls who played. Coach Burkman is proud of each player and especially the way the varsity team handled the pressure and excitement of the sectional tournament played in Cincinnati Gardens."

## Braves Face Rebuilding Task

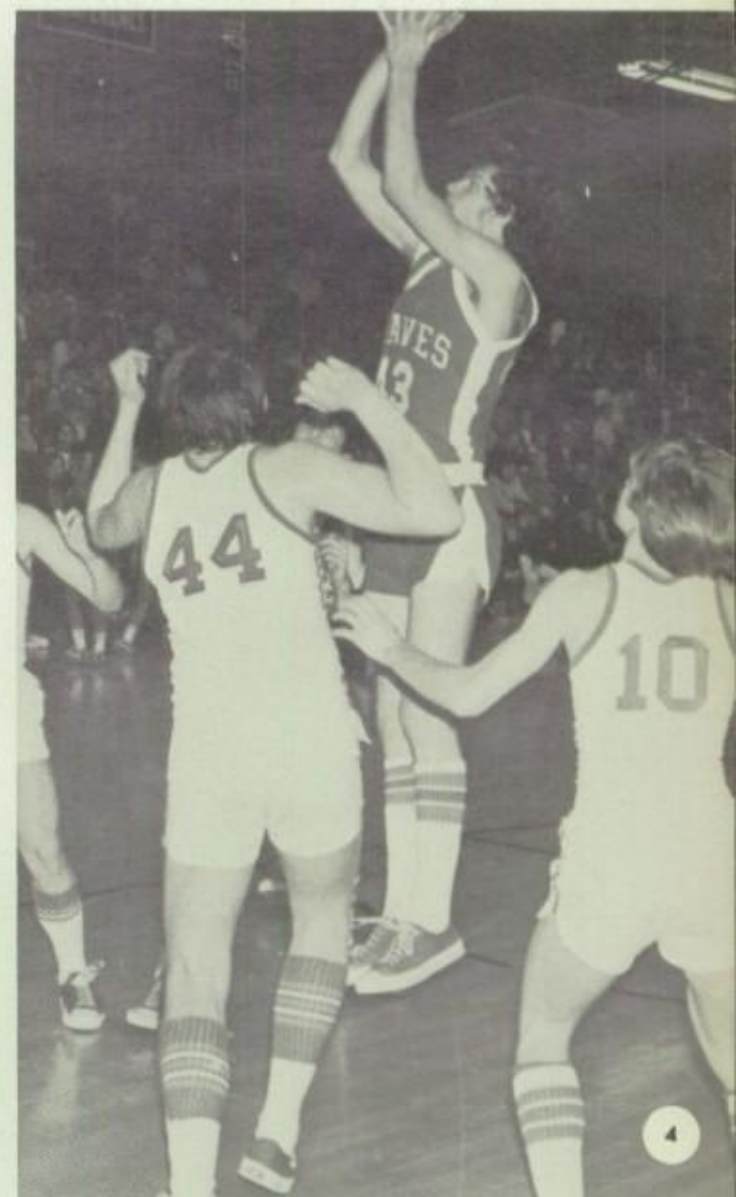

The 1975-76 Talawanda Varsity Basketball team showed great desire and determination. There were many ups and downs. The victories over rivals Badin and Ross gave much satisfaction to the team and the fans during the season.

Inconsistency seemed to be the most evident shortcoming. The Sophomores and Juniors improved tremendously throughout the season.

Special Awards went to Senior Dave

Winkler as Most Valuable Player and Leading Scorer. Junior Scott Shepard "hailed down" the Leading Rebounder award, and Junior Mike Imhoff received Most Improved Player and Best Defensive Player.

The coaches and players learned a lot. As Larry Garloch's first year as Varsity coach at Talawanda, he was and is proud to be associated with such a fine group of determined players.

## We Went a Long Way, Baby

The girls' 1975-76 basketball team led by co-captains Karen Morrison and Susan Ingersol finished the season with a 10-4 record. Reserve also exhibited their command over the season with a fine 9-3. The varsity girls captured one win and one loss in the Oxford AAA tournament. ## 56 MML Wins . . . What a Racket!!

The 1976 Talawanda Tennis team had an impressive season with an overall record of 20-1 and a league record of 14-0. This was the fourth year in a row that the team had gone undefeated in the MML, making it 56 straight league wins. Outside the MML, Talawanda defeated Taft, Garfield, Badin,

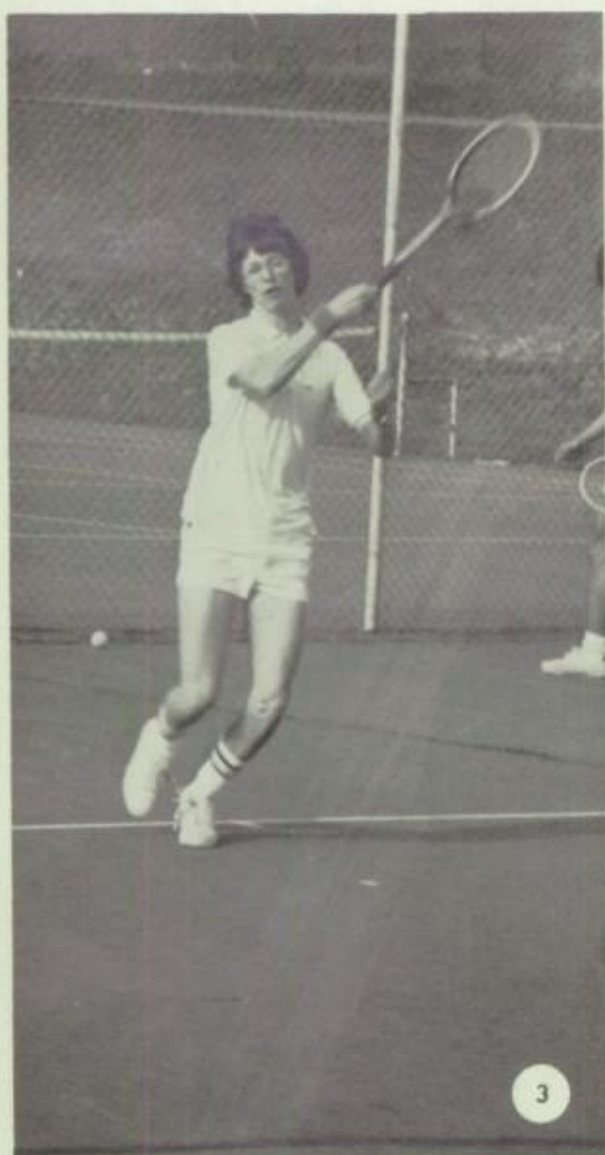

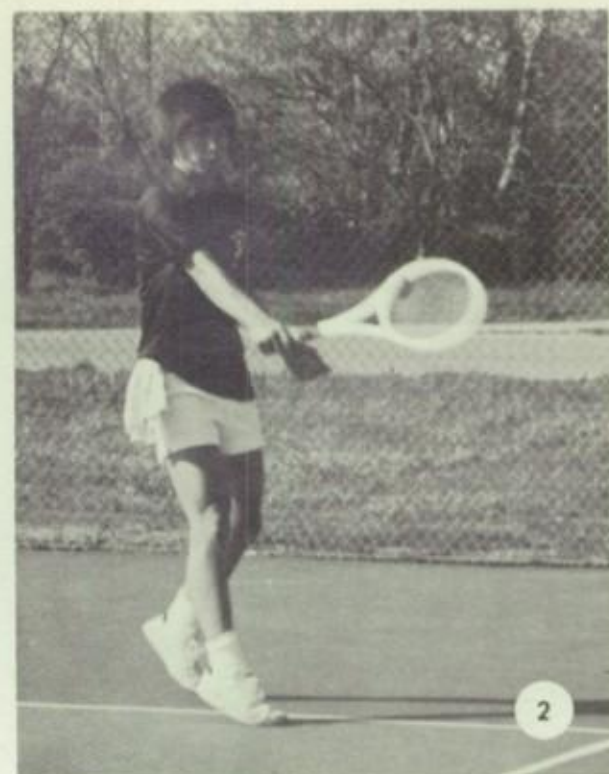

Forest Park, and Middletown. Their only loss came at the hands of Princeton, perhaps the finest team in the Cincinnati area.

The reserve Tennis team played no matches against other schools but spent many hours of tiring practice to improve their game.

## Wrestlers 3rd in MML

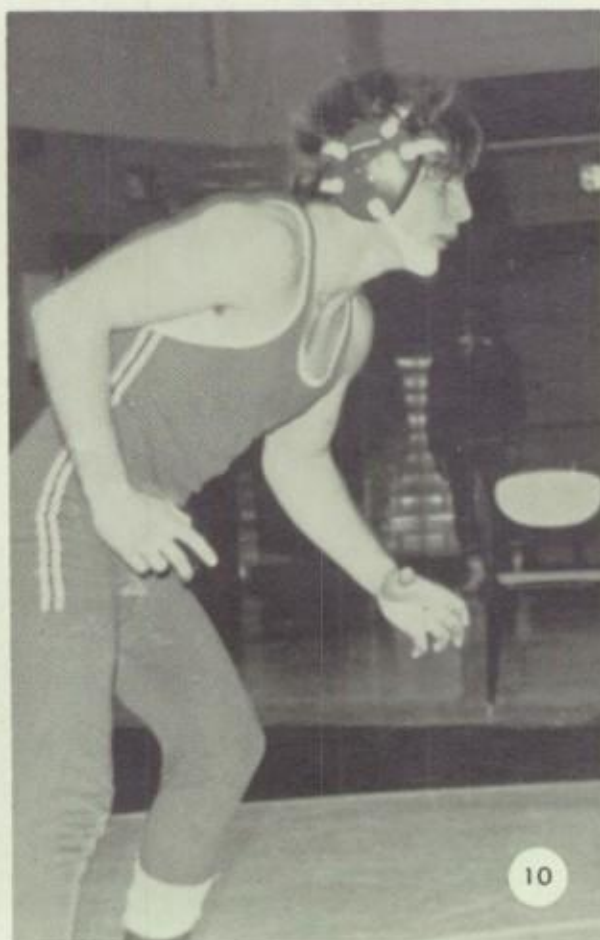

The 5-4 Dual Meet record does not portray the performance of the wrestling Chiefs. Talawanda's varsity consistently ranked high in tournament competition. At the end of the season, the Chiefs were ranked 4th out of the Butler county's 20+ teams, by the Hamilton Journal and area coaches. This season, success was due to the excellent senior leadership and the abilities and eagerness of the underclassmen.

There were many individual records set, both in dual meet competition and also in tournament action. The varsity season ended on a very appropriate note. The three captains qualified for the district meet in Dayton. Without the senior leadership, the reserve season could not have been as good as it was. The Braves ended up 5-6, but once again the coaches were very impressed with the young wrestlers. The reserves were a young inexperienced team. Positions were jumbled due to injuries and weight problems and wrestle-offs. The reserve also did well in tournaments. Individuals had excellent records. Team captain Daymon Hinkle led the way with 16 wins and only one loss. With the maturity and experience of these wrestlers, Talawanda will continue to be a powerhouse in Butler County wrestling.

## *New Record Set for Wins Braves Swing to 20 Wins*

The season started slowly, finishing with nine wins and five losses in the league. This tied Madison for second place. The total of twenty wins set a new Talawanda record for wins in a season.

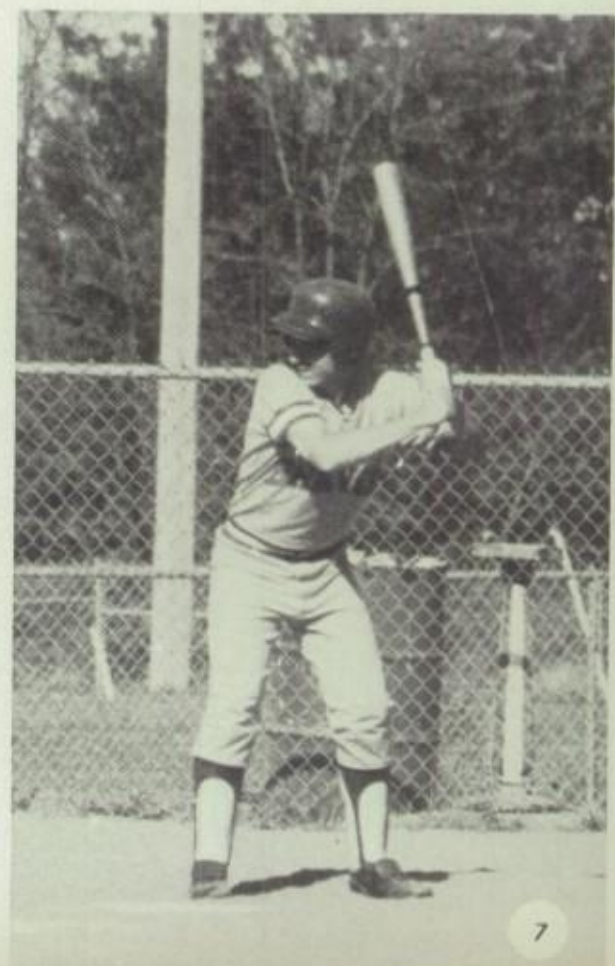

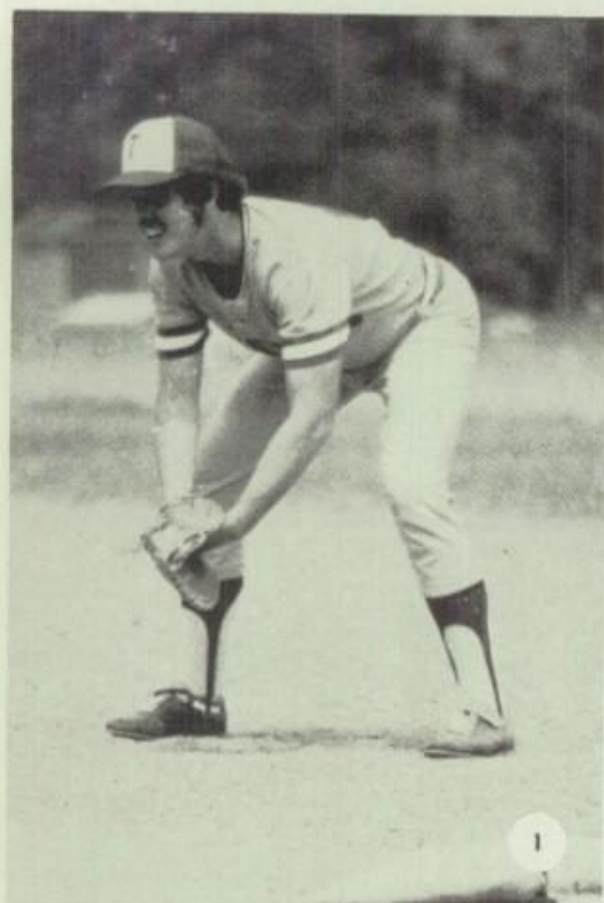

The season was heightened by the performance of Jim Harry and Rick Anderson. Jim was picked as Outstanding Pitcher in the MML with four wins and two losses and an E.R.A. of 0.95. Rick was second team MML at short-stop with a .333 batting average.

Jim Harry won the MVP and Most Valuable Pitcher awards and Rick Anderson received Best Offensive Player by leading the batting, .363, R.B.I.'s 22, Homeruns 5.

Under coaches Brian Roberts and Tom Stegman and Faculty advisor Bernie Rowell, the men's Swim Team record was 2-5-1. The difficult schedule helped to prepare the team for a respectable fifth place finish in the sectional meet. Jeni Bridgeman broke

the 1 meter diving record and Brian Stegman broke the 50 and 100 yard freestyle. The medley relay team qualified at sectional to swim in the district swim meet. Team captain for this year was Dave Collas.

## Braves' Softball Swings Into Action

The 1976 Girls' Softball Team ended their season with a mark of 5 wins and 7 losses, two of the losses coming by one run. The team was led by co-captains Tammy Sherman and Robin Stivers. The team improved tremendously with every game. Mary Hastings led the hitting attack with a .558 batting average including eight homeruns. Because of her hitting and superb defensive play she was chosen as MVP. With only five girls graduating, three of those starters, the outlook for next season is very good!!

# Choir Earns Excellent Rating at State

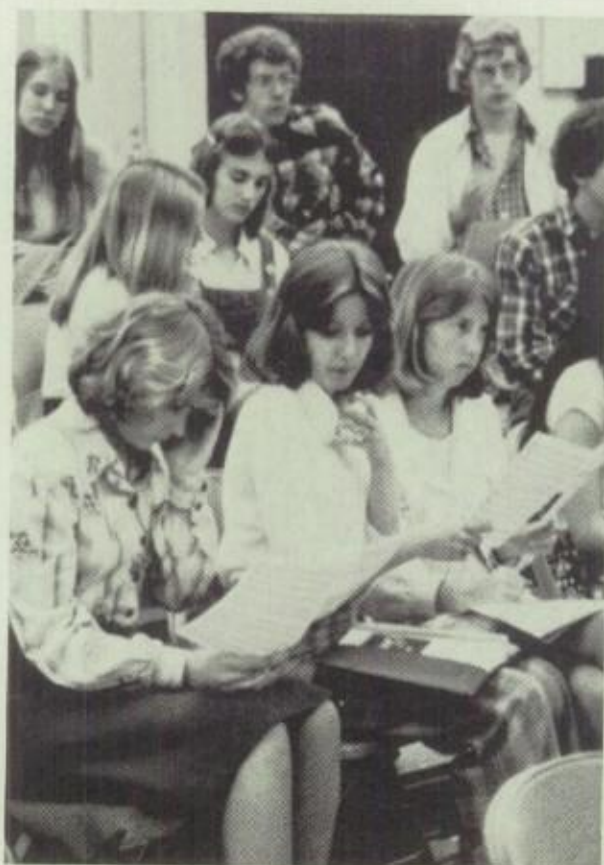

"Very successful and enjoyable" would have to be the words used in describing the experiences of the 1975-76 Talawanda Concert Choir. The annual Christmas program highlighted the first semester of diligent work of its members.

Spring was an especially busy time as it contained various concerts and competitions. They traveled to Garfield High School for the District Contest where they received a '1' rating. They then proceeded to State Competition in Columbus and earned an "excellent" rating of "II."

The SPRING FESTIVAL OF SONG seemed to be a real crowd pleaser as a standing ovation was received.

To culminate the year's activities, Choir visited many elementary schools throughout the Talawanda District.

A special thanks and appreciation go to Mr. Moore (director) and David Michael (accompanist) for their hard work and dedication.

## *Chorus Wins Superior Rating at District*

This year the Chorus performed at Kiwanis and nearby schools. At the District Contest they did an excellent job and were much encouraged by their '1' rating. The Chorus participated in the annual Spring concert and performed exceptionally well. This talented group of freshmen and sophomores should continue to provide Choir with fine young voices.

In the beginning there was darkness.  
 Marwin thought anything would be  
 better than that,  
 so he created FRESHMEN  
 He smiled and said, "That is good."  
 (but not good enough)

Marwin decided improvement was needed,  
 but he had no ideas.  
 So Little Joe said,  
 "Let there be SOPHOMORES!"  
 And so it was. They were pleased,  
 (but not satisfied.)

So Marwin made a more complex species  
 stemming from the Sophomore  
 So he created the JUNIOR  
 to fill the seas and the earth  
 He was again pleased,  
 but still so lonesome

... So Marwin said,  
 "Let us make SENIORS  
 to be the master of  
 all life at THS.  
 He did and smiled.

THE ACTIVE

# FFA — A Future for America

The FFA involves itself in all "fields" of agriculture, and many of these areas are prominent at Talawanda High School.

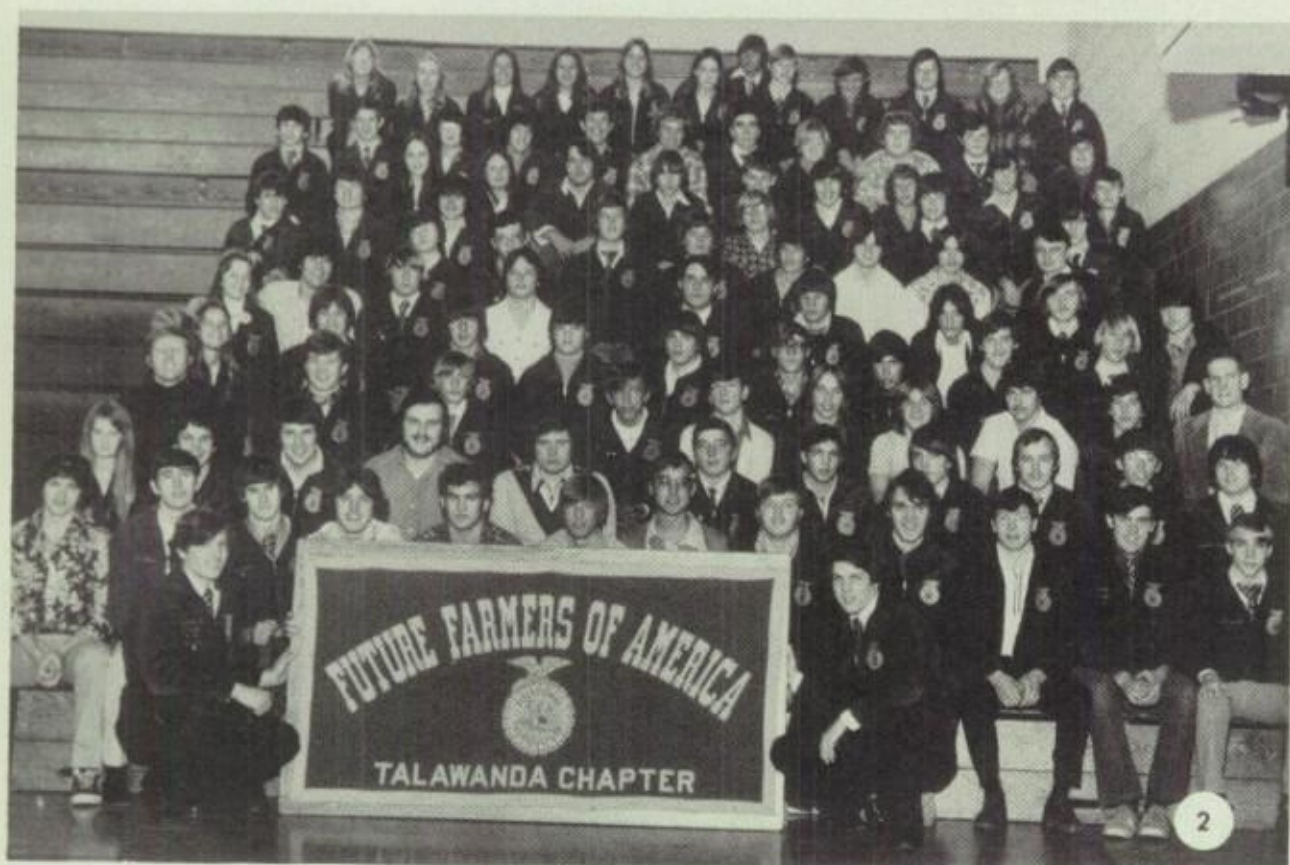

Development of the individual is emphasized through crop, livestock, and work experience projects in agriculture. Added to this are the numerous FFA activities, contests, and exhibits which serve to further enhance what members have studied in class.

Earnings and Savings enterprises, livestock chains, committee work, community service activities, and

many more events round out the busy program at THS.

The FFA membership this year attended the State FFA Convention, where Talawanda members received Gold Medal Chapter Honors, along with the Distinction of being rated as one of the top 20 Chapters out of 325 Chapters in the State of Ohio.

The following pictures show many of our 120 members involving themselves in the opportunities available in the FFA at THS.

## Busy Year for F.H.A.

The Talawanda chapter of the Future Homemakers of America is a service organization.

Its activities focus on strengthening the characters of the members.

This year's activities included a Christmas Square Dance with the FFA which was open to the community. The traditional Christmas program, the "In As Much Tree" Ceremony was presented in conjunction with the Chorus. At Easter the FHA held an Easter Party for pre-schoolers in the community, complete with "The Easter Bunny's Helper?"

At the Family Awards Banquet, the following people received awards: Mona Conner, Debbie Lighter, and Melody Halcomb received Junior Degrees. Elouise Howard and Diana Strunk received Chapter Degrees, and the State Degree was awarded to Barbara Clawson.

# Bicentennial Day Is Success

The 1975-76 Student Council under the leadership of President Jeni Bridgeman, Vice President Rick Wallace, Treasurer Jeff Korb, Secretary Leslie Deiss, and Advisor Mrs. McIntyre worked hard to represent the students at Talawanda. Although the failure of the open-lunch proposal put a damper on the organization, their enthusiasm and concern prevailed. Their success was partially due to Mrs. McIntyre, who served an important role in keeping tempers low and enthusiasm high. Some of the successful activities were the Christmas assembly, talent show, bicentennial day, and Gaston Parker walk-a-thon.

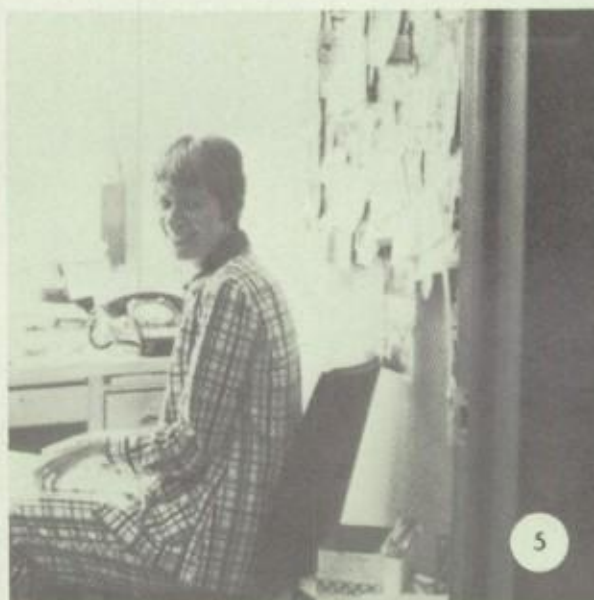

1. Mr. Wilhelm sings for Santa.

# COE: Tiptoes Through the Tulips

The Cooperative Office Education class provides a business student with practical experience and is an invaluable learning asset for the girls. They attend school in the morning and go to their job stations in the afternoon. The on-the-job training they receive is the best way for them to prepare for their future in business or in school. Marcia Raines presided and Mrs. Holladay was advisor.

## *New Advisor Adds Pep!*

This year was a busy one for Pep Club, under the supervision of advisor Vicki Yannon. Their efforts to promote spirit in THS's athletic teams included selling Kazoos, contributing to the all night band concert and not only recognizing the football and basketball teams but also such things as girls' basketball, golf, track, and hockey.

## DE Prepares for Future

Talawanda Distributive Education is designed to prepare high school students to meet the demands of business and industry for trained personnel. They had many activities this year. They sold things such as Passport to Pleasure books, diploma plaques, buttons, and different kinds of signs. They attended different places such as John Eaton's home, Hueston Woods Lodge, Oxford Telephone Co., and the Cincinnati Zoo. They had an Employer-Employee Banquet at Hueston Woods Lodge. They also put on a shoplifting play at Stewart Jr. High School.

## *A.R.C. Starts Class for Everyone*

In the past year Talawanda's Amateur Radio Club has participated in several activities. Operation Santa Claus was their pride and joy. Using their radios, they let first graders talk to Santa at the North Pole. They also started a class which teaches the fundamentals which are needed to become a ham radio operator. This class contained people as young as 10 and as old as 65. In the future they hope to enlarge their club with more members and much more equipment.

## *F.C.A. — "Still Keeping the Faith"*

The F.C.A. is not an activity oriented group. Their main purpose has been to get together for fellowship; however, they did have a campout and some members participated in the walk-a-thon for Gaston Parker. There were several girls who attended the meetings this year and although F.C.A. is a Fellowship of Christian Athletes, many who came were not athletes, but just enjoyed the fellowship of being with their friends.

# Yearbook . . . Whose Big Idea Was THAT??

It seems that making a yearbook gets more difficult by the year. Before these last pages get sent off, I'd like to say a few words about the 1976 Triumvirate staff. We had our ups and downs (mostly downs) and in places the going got pretty rough. But we did work very, very hard all year to try to produce a superior yearbook in celebration of our nation's bicentennial.

I'd like to thank those people on the staff who gave 100% effort, no matter how many times I told them to do their pages over. One person who deserves a special thank you is our Advisor, Mrs. Shelley Ference, who put up with this nonsense all year long.

*Thy sun shall no more go down; neither shall thy moon withdraw itself: for the Lord shall be thine everlasting light, and the days of thy mourning shall be ended.*

*Isaiah 60:20*

Look into me and be not afraid,  
For I am your past as it clamors against  
the door of eternity and  
is reflected up to you.

I am the serenity that you have sought,  
and I am calm where you  
have attained it . . .

I am the guardian of your peace and the  
measure of your happiness.

Therefore; think well where you are,  
and remember the path  
that brought you here.

And now fledglings, you are cast forth,  
each to chart his own  
path. The sky is yours  
to do with what you will.

Be free,  
until we meet again . . .
